47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is vital to thoughts on fix income. When you have only two or three providers. They just keep raising there prices making it a hardship on those on a fixed income. If you care about the needy in the USA. They also provide low cost, even fre telephone services, which make it even more affordable. Please think of the less fortunate.
